# Wiktoria Szramkowska

**Game Dev Student | Gameplay Programmer | First-Person Horror Games**

Hi! I'm a game development student passionate about **first-person horror games** and atmospheric experiences.

You can find my projects on Itch.io and follow my work on GitHub

## Featured Projects

### **Alive Below** – Itch.io

A first-person horror game where you must escape the dungeon.

Screenshot

Play on Itch.io

### **Mocap Cutscene Project**

A cinematic cutscene using motion capture.

Watch on YouTube

### **Current Final Project (In Progress)**

I'm currently developing a **first-person horror game** for my final project.
No playable demo yet, but check back soon for updates!
